Dear Cameron:

I would like to extend my appreciation to you for the amazing work you have done for our company. You have been able to take my ideas and vision and create unbelievable images for our t-shirts. Your creative style fits our playful atmosphere and is easily recognized among the members of our team. When we pass out our event t-shirts to the staff, they know just by looking at the shirts that they are going to have a great and fun time at the event. I appreciate the impact your art has on the team and the quality of your products are of the highest standard. Since we are a labor intensive industry, product quality is very important to us.

Thank you for all of you work and the partnership we have built!

Sincerely,

Krysti O'Connell
